PREFER TO OWN IT?

\$5,500 one-time — panel + installation, yours to keep. Then just \$3.99/month per app user. No contract, no commitment.

MiVISION SOFTWARE FOR PROPERTY MANAGERS

Run the whole system from your desk: **add or remove tenants in seconds**, review entry logs, configure alerts — **all remotely, no onsite visits**. Serious time and money saved.

SECURE YOUR BUILDING

Never let strangers in again — see **who you're talking to** and **how many people are coming in** before you open the door.

CALL TODAY FOR A FREE BUILDING ASSESSMENT **403-397-3300** bordosecurity.com

- We also install security camera systems and access control (door fob) systems for buildings.

3-year service agreement required. Equipment remains Bordo Security property during the agreement and is collected if it is cancelled. Minimum app-connection commitment per tier applies. Internet connection required for cloud and mobile app features.
